Presidents Message

As I travel around the community speaking to various individuals and groups about the SAR, I encounter a number of questions about our organization. I always welcome these questions, and use the opportunity to dispel misunderstandings and generate interest in our organization.

The most common question is “*are you a part of the Tea Party?*” Of course the SAR is not affiliated with any political party or movement, and never has been. We are a non-profit lineage society, and we are non-political. . Our primary focus is on protecting the Constitution and the rights it guarantees. Another comment I often hear is “*I am qualified, but I don't*

have the time.” My response is *being an SAR Compatriot is a birthright* and part of our own personal family heritage. While many American men are technically qualified for membership since they have Patriot ancestors, being able to document lineage for more than two centuries in a country of adventuresome pioneers is often a challenge. Being an active SAR Compatriot honors our direct, unbroken link to our Patriot forefathers. The small commitment asked by the SAR is to be proactively patriotic, and to support our Society. Considering the sacrifices of our ancestors, this is a small price to pay for being an American.

As noted in the following section, *SAR President General Joseph Dooley* will be visiting our chapter on March 22. Please invite your family as well. It will be a dinner event held at the St. Petersburg Country Club (formerly the Lakewood Country Club). Watch your email for an R.S.V.P invitation!

N.S.S.A.R. President General to Visit Our Chapter in March

N.S.S.A.R. President General Joseph W. Dooley will visit the St. Petersburg Chapter on March 22. A chapter dinner meeting at the St. Petersburg Country Club will be held in his honor. Compatriot Jerry Hale is coordinating this very special occasion. R.S.V.P. Invitations will be sent to you by email soon.

SAR and DAR chapters from around the state, as well as State Officers will be invited to attend.

Children of the American Revolution

The James McMullen Society N.S.C.A.R. (JMS) held its first annual Holiday Season Gingerbread Party Monday, December 23 at 2 pm. The event was held at the home of Shannon and new St. Petersburg Chapter Compatriot Steve Muldrow in Clearwater. Children and grandchildren of all local SAR and DAR chapters were invited to join the members of JMS in this joyous holiday event. Gingerbread houses and candy decoration were decorated and promptly devoured.

The St. Petersburg Chapter, is a primary SAR sponsor of the James McMullen Chapter, N.S.C.A.R. Board members include Colleen Pauley Perry, Senior Vice President, Jean Best Richardson, Chaplain, Danny Hooper, RVP and Clearwater Chapter member, Mike McGinn, Family Parent Representative. You can visit the James McMullen Society at: www.JMcmullencar.org.

Wreaths Across America

On December 14 at 9:30 AM, volunteers from the St. Petersburg Chapter and the James McMullen Society C.A.R. joined hundreds of others at Bay Pines National Cemetery, to place wreaths on the graves of veterans. Although the program was delayed due to an ice storm in the northeast

slowing the delivery truck, the ceremony was well attended and honored the memory of our deceased veterans.

Robert and Son Stephen Muldrow Are New Members of Our Chapter

It is always a special event when a father and son are inducted into our chapter. At our December meeting, Stephen and his father Robert recited the oath of induction and became members of the Sons of the American Revolution. The Muldrows are descended from Patriot John Muldrow of Darlington, South Carolina who served in the Pee Dee Regiment and in Francis Marion's Brigade.

Treasurer's Report to the Chapter

Two major chapter events are on the immediate horizon, The Annual George Washington Birthday Luncheon (which we have celebrated since 1928), and the visit by the NSSAR President General in March.

The President General's calendar is booked with countless major national activities so it is a rare and distinct honor for any local chapter to host a dinner for a sitting President General of the NSSAR. This is the first time our chapter has been honored with this privilege. Please mark your calendars today, we look forward to seeing you there!

Since we are hosting both events, I encourage each chapter member to reply to the RSVP invitation as soon as possible. Please make your checks out to the St. Petersburg Chapter SAR, and mail them to the address shown on the RSVP. This will ensure all reservations are confirmed, the correct number of meals are ordered and the accounting is all correct. It will also avoid a last minute rush.

- Chapter banking and financial reports are presented at meetings.
- Prior Meeting Minutes are appended to the end of this newsletter.

Registrar's Report to the Chapter

We currently have four applications under consideration by NSSAR and six prospective members that are actively working with us on applications. Since January 1 2013 we have had 10 new member applications for our Chapter approved.

St. Petersburg SAR Chapter Growth

Please make a focused effort to identify and consider recruiting one new member by next May. Our motto for this initiative is *"You can be St. Pete SAR wherever you are."* If you know a DAR member, don't hesitate to ask her to identify a qualified male relative who can be a new recruit. Working with DAR chapters to identify and invite eligible males to join our chapter is an excellent strategy since their lines are usually already well documented to proven Patriots, facilitating the application and approval process.

Once you are SAR, you are always SAR. During this busy holiday time, we should all pause for a few reflective moments to be thankful for the company of our loved ones, the sacrifices of our forefathers, and privileges we as Americans enjoy. May this season of joy bring you and your family peace and happiness, and please be safe in your travels.

We care about our Compatriots, so please let me know immediately of any serious illness, hospitalization, or death of any of our members or family members. Please let us know about your joyous occasions as well, such as graduations, anniversaries, weddings and new babies!

Please advise any Officer of our chapter so we can take appropriate actions commensurate with the situation at hand. Our President Charles Butler or I will make every effort to attend services on behalf of the chapter. Please pray for our service members, the ones who put themselves in harm's way to protect us from evil. They do not ask for recognition, but only a chance to make our lives safer. Blessings to all.

Death leaves a heartache no one can heal, love leaves a memory no one can steal
