You Are Always SAR

Once you are SAR, you are always SAR. We should all pause for a few reflective moments to be thankful for the company of our loved ones, the sacrifices of our forefathers, and privileges we as Americans enjoy.

We care about our Compatriots, so please let me know immediately of any serious illness, hospitalization, or death of any of our members or family members. Please let us know about your joyous occasions as well, such as graduations, anniversaries, weddings and new babies!

Please advise any Officer of our chapter so we can take appropriate actions commensurate with the situation at hand. Our President Charles Butler or I will make every effort to attend services on behalf of the chapter. Please pray for our service members, the ones who put themselves in harm's way to protect us from evil. They do not ask for recognition, but only a chance to make our lives safer. Blessings to all.

Death leaves a heartache no one can heal, love leaves a memory no one can steal
